ABOUT THE STATE

HAIR TELLS CHARACTER.

Color of Hair Said to Indicate a Per-
son's Temperament.

Many people believe that blonde,
light hair denotes affection and danc-
ing constancy. A person without hair
is not devoid of character; far from it.
The disposition of the average bald-
headed man is to show such solicitude
for the welfare of others, that he nee-
ds himself. A germ causes baldness.
Prof. Sabatard, of Paris, France, in-
oculated a rabbit with Dandruff germs,
causing it to become totally bald in the
weeks' time. To rid the scalp of these
dangerous germs it is necessary to ap-
ply Newbro's Herpicide.

"Destroy the cause you remove the
effect."

Sold by leading druggists. Send for
stamp for sample of Newbro's Herpicide.
Two sizes—50 cents and \$1.00.

BITTER STRUGGLE
AGAINST TAGGART.

Opponents Say They Have Put Brewers
Out of Control in Indiana.

Indianapolis, Ind., Jan. 4.—Fighting
that knows no quarter marked the elec-
tion throughout Indiana Thursday
Democratic district committee men
serve as members of the state commit-
tee. Taggartism was the issue and old-
time known Taggart methods were re-
sorted to in an effort to overcome the
opposition. Taggart men say they made
a clean sweep.

Anti-Taggart Democrats, who have
been bent on wresting control of the
party machine from brewers and liquor
dealers, denied the claims of the Tag-
gart crowd. As several committee men
selected are new in the management of
Democratic affairs, it is said, reason may
exist for the optimism of those who have
been trying to reform the party.

A Higher Health Level.

"I have reached a higher health level
since I began using Dr. King's New Life
Pills," writes Jacob Springer, of West
Franklin, Maine. "They keep my stom-
ach, liver and bowels working just right."

If these pills disappoint you on trial,
money will be refunded at Red Cross
pharmacy, Ricker & Wells.
